

080212 Utterback

My name is Vera Utterback. 92 10th Avenue, Bartlet IL. Telephone number 630-497-8931. This is in reference to STB finance docket 35087. I am protesting the sale of the EJ&E railway to the Canadian National Railway. We do not need any more railway tracks through this area in question. We do not need our roads blocked at railroad crossings by Canadian trains. What would happen if a fire engine or ambulance or any other emergency vehicle were stopped at a crossing because of so much foreign train traffic. Can't our country keep control of things and not let foreigners run our business. Please vote no to this. Thank you.
