Re: Canadian National Railway Company and
Grand Trunk Corporation-Control-EJ&E
West Company
(STB Finance Docket No. 35087)

Dear Ms. Johnson-Bell:

As a resident of Warrenville Illinois for nearly 10 years, I've been paying close attention to the proposed purchase of the EJ&E Railroad by Canadian National(CN). I know that the City of Warrenville has met with CN representatives three times and has conveyed resident concerns, particularly by those living so close to the tracks.

I am very concerned about the speeding heavy trains. The back of my house faces the tracks which are about 1/2 a mile away. I can feel my house shaking when the trains pass.

I oppose this transaction. I hope that Surface Transportation Board considers the severe impacts on local residents when evaluating this transaction.

Feel free to contact me at 630-456-0213.

Sincerely,
