History: This message has been replied to.

Good morning. Concerning the above referenced project, I would like to inform you that Medina County is not one of the counties of historical oversight in Texas for the Delaware Nation. Please be advised we have no concerns regarding your project.

For future reference, and to save you all time and effort, the following Texas counties are those the Delaware Nation exercises historical oversight on:

Cherokee, Cooke, Crockett, Delta, Denton, Grayson, Henderson, Johnson, Kaufman, Red River, Reeves, Smith, Somervell, Tarrant, Taylor, Williamson and Young.

Thank you, and have a great day!
