Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9/10/08

I support the E&E purchase by CN
This is good for the region & my
community. There are too many
trains that pass thru Blue Island
and too many details. As an employee
of the hospital in town it is critical
that people & ambulances are able
to get to us quickly. As one of the
leading heart hospitals details in
care can mean life or death

YOUR INPUT IS IMPORTANT!
