STB Docket No. FD 35952

**GREAT LAKES BASIN TRANSPORTATION, INC—AUTHORITY TO
CONSTRUCT AND OPERATE A RAIL LINE IN INDIANA, ILLINOIS,
AND WISCONSIN**

June 6, 2016

Dear Mr. Navecky,

We have lots of trouble with standing water now in our whole township. Flooding is common when we have moderate or heavy rain. Our creeks commonly overflow, this railroad will block or destroy crucial field tiles and creeks and cause more flooding.

Please vote against this proposed railroad due the environmental impact it will cause.

Thank you.

Regards

Raymond Hoots
