Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: Aug 27, 08

The EJE Line is a tremendous resource to the region, state & nation. To allow a single owner, or foreign owner or worse, both a single foreign owner will trap this region for generations. This issue transcends local politics. The nation needs a regional transportation solution for freight & passenger. DON'T LET THIS HORSE OUT OF THE BARN!!! PLEASE say NO! to this acquisition and help us find a regional, long term solution to the transit issues we face.

YOUR INPUT IS IMPORTANT!
