

Environmental Impact Statement

Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date:

8/27/08

As a former health care CEO,
I find the plan impossible to
comprehend. Although I live close
to Good Shepherd Hospital I am
afraid that should I or others
need Level I trauma care,
the delay to Reithman General
would impact survival rates.
This is dangerous for our children
and for our citizens.
