2 Seberger, J E A N N E T T E,
3 S E B E R G E R. Okay. And I'm opposed to
4 this railroad because of the impact it's
5 going through three school systems plus
6 parks. Also, it's going to add the
7 pollution to the area. I am a cancer
8 survivor. I don't need any more pollution,
9 and we've had several people on my block
10 that have had cancer due to pollution. So
11 what is more pollution going to do to the
12 lives of the people.

13 And the children, I'm
14 worried about the children also, having to
15 cross the tracks with -- There are 24 hours
16 in a day. They want 20-some trains to go
17 through. That's how many trains an hour?
18 And so that's all I have to say.
