Subject: * Project Location Map
First Name: * Beth
Middle Name:
Last Name: * Birky
Address: * 701 South 300 East

City: * Kouts
State: * IN
Zip Code: * 46347-
Email Address: * birkycb@frontier.com

Group/Affiliation:

Message:

The Project Location Map shown on the GLBRL website is incomplete and misleading, as it shows State Rd 49 ending at US 30, when in actuality it continues south through the entire length of Porter County. State Rd 8 and State Rd 2 are also completely left off the map of Porter County, making it appear there are no crossings of these highways to consider in the county. What other state highways would be affected that have been left off this map??
