Dear Sir;

We are in favor of acquiring the E.J. & E. RR to
congestion in SO. HOLLAND, IL will be less &
more manageable for our local traffic in all
directions N, S, E, & W. Traffic has increased
very much. Standing trains with motors
rumbling in a quiet neighborhood of homes
is very straining on everyone. And on
the danger of people wondering if the train is
in readiness to start up and then racing
to beat it.

For the whole Midwest economy & for the
RR it is better to have an efficient line/track
to circumvent the city of Chicago.

Yours truly,

Joanne Venhuizen
South Holland, IL
