Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/28/08

Comments must be submitted by September 30, 2008.

Safety, Safety, Safety - will be compromised
at a level unprecedented till now.

Emergency vehicles are on the the wrong
side of the tracks. The high school and
grade schools are on the wrong side of the
tracks the other way. No emergency vehicles
will be able to be passed in either direction.

Lake Cook Road now unpassable in the AM
and PM. With only a single freight and
multiple METRA TRAINS per day. Any increase
would close the road.

YOUR INPUT IS IMPORTANT!
