Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

Please do not ignore, but rather strongly consider the devastating impact that the proposed CN acquisition will have on Barrington.

We have resided in Barrington for 21 years, but we are not "rich" or spoiled. Like many Americans, I have been laid off. We struggle to pay the bills. This is not a situation where residents do not want their wealthy community impacted. Rather, we do not want it destroyed.

Our concerns about safety, response time, costs, pollution, etc etc are very real and just as legitimate. We should not be made to pay for CN's acquisition.

I believe after you conduct a proper analysis, you will agree with our concerns.

Thank you for your consideration.

Respectfully,

Barbara J. Buhai
