Re: Olin Property, Wilmington, Massachusetts

Dear Ms. Johnson Ball:

I am against having a trash transfer station located in Wilmington, MA. The proposed area is already a contaminated site. This area is heavily populated area - and the additional traffic, the noise that would be generated - as well as the odor & pests it will bring - is totally unwelcome in Wilmington. We ask that you do everything you can to stop this trash transfer station from being located in Wilmington.

PLEASE HELP OUR TOWN!!

Sincerely,

Martha Leonardo
