Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

I have 3 kids in the Barringer schools - The buses are going to be going over several tracks which can be very dangerous. Must remind you of the Fox River Grove train accident.

Other towns purchased houses in neighborhoods where they were above the train situation. - I purchased my house when there were 2-5 trains and now must live with 20 trains.
