Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

The impact of CN acquisition is only negative in terms of safety and quality of life. The ramifications have not been considered. The community cannot and should not have to support/cannot support the fallout. This cannot be allowed. It is not a solution when the negative impact on a community is this huge.

YOUR INPUT IS IMPORTANT!
