History: This message has been replied to.

Hi Dave,

FYI, see the message from Tracie (and Doug) below, and I left her a voice mail to follow up. Looks like the meeting will go from 1:30 to 3:30, with 4:30 at the latest.

I've called nearly all the tribes and Native Alaska organizations and either spoke to someone or left voice mails. There has been a lot of turnover in leadership since the end of 2009, so I'll be updating all of the contacts and level of interest in the project. I'll circle back with those I left voice mails, and try to get a good idea of how many others we expect to attend the meeting.

Hi Rick,

Thank you for the summary timeline of consultation.

I went ahead and reserved our largest conference room which seats up 75 or more but will also work for just 5-10 people if that is all we end up with. I will find out about teleconferencing equipment for you tomorrow, I believe there is equipment in the room for us to use. Let me know if you need a teleconference line scheduled and I'll figure out how to do that. The meeting will be in Rm 240 of the Atwood Building, 550 W. 7th Ave, Anchorage.

Do you have a draft agenda? We typically schedule meetings in 2 hour blocks, if its possible for us to accomplish the meeting goals and objectives in 2 hours, that would be preferred. If that is not possible, we could go to 4:30, but our staff will need to leave then to prepare for a historic preservation commission meeting at 5:30.

Let me know if you have any other questions or logistics I can help with-
Thank you
Tracie

Hi Tracie,

OK, Oct. 21st at 1:30 Alaska time works for Dave Navecky at STB-OEA to attend in person and Najah Duvall-Gabriel of ACHP to attend by telephone. This week, I will call all the Alaska Tribes, Alaska Native Corporations and other signatories or consulting parties to inform them of the meeting and request their attendance or comments. For your reference, I am attaching a summary timeline of the ongoing Section 106 consultation for this undertaking.

I'd like to talk to you at your convenience, about some of the logistics for the meeting, including the length of time available (1:30 to 5:00 PM would be sufficient), the seating capacity of the meeting room, and whether you have a good speaker phone for those that cannot make the meeting. Let me know if this afternoon is a good time to call you, or if tomorrow is better.

Thanks so much!
Rick

Thank you Tracie,

That sounds perfect. Hopefully October 21st will work for Judy and Doug, too. I wanted to call the other participants in the PA, to solicit their comments on the Draft PA and let them know of the meeting, but I will wait to hear back from you that the date is set.

We look forward to the meeting.

Thank you Rick,

That date works for me, but I will need to check with Judy and also Doug Gasek (our architectural historian who has been working on this project), both are out of the office today however. I will make sure one of us gets back to you tomorrow (Friday) on whether that date will work and if so, what time is preferable.

Hi Judy and Tracie,

Steve Braund is available Thursday the 21st, but likely has a conflict on the 19th/20th, so Thursday the 21st is our preferred date for the meeting.

Please let us know if the 21st works for you. We can then notify other signatories to the PA that may wish to attend the meeting or provide us with their comments on the Draft PA in advance.

Thanks,

Rick

Importance: High

Judy and Tracie,

In response to your letter of Sept. 1, Dave Navecky of STB OEA asked that we set up a meeting to discuss the Draft PA for the Alaska Railroad Port MacKenzie Extension Project. I have been calling to try to set up a meeting with you both, but learned that this is an extremely busy week, so I am sending this e-mail in the hope it reaches you sooner. Please let us know which of the following would be the best time to hold the meeting in your office or at another meeting place that is convenient for you:

- Tuesday, October 19th, anytime after 10:00 AM
- Wednesday, October 20th, anytime after 1:00 PM
- Thursday, October 21st, anytime after 1:00 PM

Thank you very much, and we look forward to meeting with you.

Sincerely,

Rick
