Good morning Dave,

I hope you're having a good week. We were finally able to get in touch with the architect regarding the digital linework that you requested in Information Request No. 3. The architect provided a set of files, which can be downloaded using the link below. We believe this is what OEA is looking for but would like confirmation before sending a formal response.

Will you please take a look at the files available via the download link below and confirm whether these provide the information OEA is looking for? If so, we will send a formal response with a cover letter and download link.

If you have any questions, please let us know.

Thanks,
Amanda
