Message:

I want to give my SUPPORT to the CN purchase of the EJ&E. I live clode to the EJ&E tracks and do not consider it a problem with the increased traffic. I think that the use of the EJ&E by the CN will reap both economic and safty benifits. Those opposed to this issue forget that the RR of this country built this country. The land used by the RR is called RIGHT OF WAY and that is for a reason. People that object to this remind me of those who move to the arae of O'HARE and complain that aircraft land and take off there. Again I stongly support the CN purchase of EJ&E.

Thanks You

Larry Kesselring
