Dear David,

Please disregard my previous email, I just received notification from Rep. Joe Sosnowski's office that a meeting has been scheduled in Belvidere.

Thank you.

Sincerely,

Subject: Great Lakes Basin Public Hearing Request

Dear David,

It is my understanding that approximately 12% of the proposed Great Lakes Basin Rail project is in Boone County, IL. On behalf of Boone County landowners, I would like to make a request that an additional hearing be held in Belvidere, IL.

Thank you for your consideration.

Sincerely,

Ann Marie Cain
