Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9/27/08

Comments must be submitted by September 30, 2008.

I do not wish the Canadian National Railway Company acquire the Elgin, Joliet & Eastern Railway Company.

I understand that MANY MORE trains would be coming through Frankfort at all times of the day and night. I'm afraid of the impact that would have on our environment with air & noise pollution. I can't sleep with the windows open because of the noise now. I'm afraid I'll never get any sleep.
