Public Meeting Comment Form

AB 167 Sub-No. 1095X, Consolidated Rail Corporation —
Abandonment Exemption — Lancaster and Chester Counties, PA

11/19/03

I support the conversion of the
Atglen-Susquehanna low grade line
to a rail-trail. It is a valuable and
historic resource that would benefit
a diverse group of citizens. These
outdoor recreational activities benefit the
community in many ways. Mental
& physical health benefits from outdoor
non-motorized ~~recreational~~ activities are
well known.
