Rhylis Johnson-Ball,

I am writing to ask that the
"STB" deny Canadian Nationals
request to buy EJE RR. I,

as a Lake Zurich resident, taxpayer
and voter oppose for many reasons.

Topping the list is safety issues
around schools, transporting hazardous
materials, traffic delays and
emergency response times.

I ask that the "STB"
"Disapprove to the proposed
transaction in whole with NO
Action alternative. Sincerely

Cynthia Deppen
