L. Name Durkins

Title Business

Dept

Address 933 24th Ave

Address 2

City Bellwood

State IL Zip 60104

Transcript:

I do support the removal of those train tracks through Bellwood. I am inconvenienced at times when I am trying to use 25th Ave, and I know the trains are down there, I go 6 blocks out of my way so that I can continue on my trip without the hassle of waiting for all those trains to cross the tracks. I do support the idea that those tracks be removed.
