How will CN's proposed acquisition of the EJ&E impact you?

FOR RESIDENTS OF LAKE ZURICH, THIS WILL BE
DEVASTATING TO THE COMMUNITY IF PASSED.

- THE PROPOSAL ALLOWS FOR RAIL TRAFFIC ON AN
HOURLY BASIS.

- TRAFFIC CONGESTION WILL BE UNIMAGINABLE, DESPITE
RECENT IMPROVEMENT WITH BYPASS + ROAD EXPANSION.

- NOISE LEVELS WILL INCREASE, WITH MOST OF
THE BORDERING SUBDIVISIONS (ORCHARDS, BRAEMAR, ETC.) FEELING
MOST OF THE "PAIN".

- WITH INCREASED TRAFFIC, THE END RESULT WILL
BE MORE ACCIDENTS/FATALITIES.

- WITH "HAZMAT" COMMERCE, A DERAILMENT WOULD
RESULT IN AN ENVIRONMENTAL ISSUE NEVER FELT BY
THIS COMMUNITY.

- THE ADDITIONAL TRAFFIC WILL BE UNSETTLING FOR THE
WILDLIFE HABITAT IN WETLAND AREAS.

- MESSAGE FOR MAYOR DREW - "BIG CITY RAIL COMMERCE DOES
NOT BELONG IN A SMALL COMMUNITY."

MOVING COMMERCE TO THE NOW
"ETIE" WILL ONLY OPEN THE
DOOR FOR MORE TRAFFIC IN
CHICAGO - NOT GAIN - ZERO!
