Subject: Oakland Global Rail Enterprise (OGRE) Docket No. FD 36312

Hello,

I am in receipt of a letter dated January 9, 2020 from Victoria Ruston, Director, Office of Environmental Analysis regarding OGRE.

I would like to share the letter, the attached map, and other project materials with my colleagues.

Can you point me to the webpage that will have maps and other materials about the project?

Thanks much,
