Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date:

8/27/08

Comments must be submitted by September 30, 2008.

I have lived in Barrington for 25 years.
The traffic delays now because of trains
through the area are also not correct.
I live east of Elgin and come into the
village as seldom as possible. I
shop, dine and go to doctors elsewhere
because of the difficulty in getting
into town.

I am most concerned about
the crossings that directly affect
Good Shepherd Hospital and the
site of the Police & Fire Dept.
The crossings on Hwy. Highway
and Cedar Road do control life and
death situations
