Transcript:

My comments are, I support CN purchase, I support CN Railway purchasing EJ&E Rail line. I don't like when I take my grandchild to school and I have to wait so long. I wish it was a little bit shorter of train. Thank you. I'm sorry for my English but I cannot speak very good English. I wish we do something that I don't have to wait so long taking my grandchild to school. Thank you very much. Bye.
