Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/27/08

As a taxpayer I find it absurd that American tax dollars are for the profit of a Canadian company!

My home value will plummet as a result of this acquisition. We purchased our home 2 years ago based on its location/proximity to a new park & recreation facility as well proximity to the school. Unfortunately our subdivision is bordered on 2 sides of Lake Zurich Rd & NW Hwy, railroad tracks. Who will buy our house now???

Will you buy our house???

What business owner will open in downtown Barrington if the traffic congestion / impact from trains occurs. Downtown Barrington will become a ghost town! All property owners will suffer. Schools will suffer. Hospitals will suffer. Businesses will suffer; CNR will prosper.

This is wrong and unfair!!!
