Message: STB Finance Docket No. 35087. I am a Griffith resident and I appose the proposed acquisition of the EJ&E railroad by CN. My property resides on the east side of Griffith and the railroad tracks whose traffic would increase over 300% would be cutoff from emergency services. Also with the high concentration of residential housing along those tracks - having increased traffic can only lead to more noise pollution, traffic congestion, family safety, etc. I urge you to please oppose this acquisition. Thank you.
