Draft Environmental Impact Statement for the

Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

My children will be very sad if this
train deal goes through. They know the
quality of life will change. They will know
kids in their life that will either die due
to medical vehicles not crossing in time
or simply put "getting hit by a train". The
thought that such a proposal could make it
this far is absurd. A train tearing through
the center of town 20+ times per day. Are
we this stupid to consider such a request
or do we not care about the people in these
communities.
