Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

I oppose the purchase by CN Rail
Company For 3 reasons:

1) SAFETY

2) congestion

3) QUALITY OF LIFE/ECONOMY BARRINGTON

With the number of trains traveling
through Barrington; the issue is safety
of our citizens, not only the potential
hazardous materials that may be carried but
also the potential for accidents/fatalities of

our community because of accidents. There are more
than enough trains/traffic in Barrington now!!
An additional 20-26 trains will be unbearable

YOUR INPUT IS IMPORTANT!

STOP THE SALE

THANK YOU!
