Subject Harsimus Branch: Consulting Party Request

EI-17795
FB

Dear Mr. Blodgett,

I understand that organizations that requested consulting party status regarding the NHPA Section 106 review of the Harsimus Branch have been contacted by the STB confirming their status.

Our organization has not yet received such a letter. As the main neighborhood organization for residents at the western section of the Harsimus Branch, west of the Embankment, we would like to be included as a consulting party.

Our concerns will be focused on the western portion of the Branch, which may not be the main focus of other consulting parties.

Please let me know if we will be a consulting party. If so, I will be the main contact; my contact information is below.

Sincerely,

Rob Crow
