Docket N. FD 35952- Great Lakes Basin Transportation, Inc.

395 E Street SW

Washington, D.C. 20423-0001

Dear Mr. Navecky,

I am writing you in opposition to the above Great Lakes Basin Transportation, Inc. (GLB) project.

This is considered to be one of the largest railroad projects, approximately eight (8) billion dollars. Yet no financiers or customers are declared. GLB is a private for Profit Company with no experience in railroads or a public record of building or transporting anything! If GLB runs out of funding, will this project be another abuse of Taxpayer's Money, like the Solar Energy fiasco?

I am asking you to take a "No Action" decision on this project.

Sincerely,

Michelle Moen
