Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8-25-08

I do not feel that this sale would benefit anyone but CN.

It will cause home prices in these
South Suburbs to decline in an already
shaky time.

The safety issues are definitely at risk

The rate ambulances can get across our town will increase as will pollution & noise
