Dear Mr. Monroe:

This responds to your email on May 1, 2006, concerning the above referenced abandonment. Upon receipt of effective authority from the Surface Transportation Board, BNSF plans to arrange for the salvage and disposition of the right-of-way and materials thereon. Accordingly, the three (3) geodetic station markers identified (attached) as being affected by the proposed abandonment should be relocated within the next 90 days.

Sincerely,

Sidney L. Strickland, Jr.
