Title	Business			Dept	
Address	17108 S Evans Drive				
Address 2					
City	South Holland	State	IL	Zip	60473

Transcript:

I support the acquisition, as far as the railroad goes. I have railroad tracks in the back of my house where trains run, it's noisy, the pollution, I think they should be moved. I am an older senior citizen, the noise keeps us awake, my mother is sickly, she is here with me, therefore I do support it in hopes you all do move the railroads and stuff to another location.
