- ① First - I am worried about the safety response time. We live on the other side of the track from the fire department.
- ② I have 4 children that ~~are~~ take the bus to school and have to pass over these tracks.
- ③ Our whole community will never be the same - we will be split in half - our town will "dry" up. I will take my business north out of Barrington but I would like to keep it in Barrington
- ④ Our property values will decrease in value
