Address 2 880 Pat Court
City Aurora State IL Zip 60504

Transcript:

I would like to lodge my disapproval of the project to put the trains through this area, as it will impinge heavily upon the school district and all the students getting to and from school and home. It literally cuts the School District 204 in half and it will make a major impact on all the travel times in this area. I would strongly suggest that the Transportation Board deny letting this railroad company come in and disrupt our way of life. Thank you.
