Thank you, we do except your invitation to consult, Tribal Historic Preservation officer Lana M. Gravatt Yankton Sioux Tribe of south Dakota, box 248 Marty SD 605-384-3641

I dont understand how this project can proceed through a protected national historic landmark, at this time until face to face consultation occurs the yankton Sioux Tribe is in opposition of this project and if by some manipulation of the law it is allowed to proceed than I would exspect no less than the tribes being signatories rather than just consulting parties, that way we actually have some real say and protecion of this site if any for the life of the project.
