Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: August 27, 2008

Comments must be submitted by September 30, 2008.

Ladies & Gentlemen:

The local infrastructure CANNOT handle the proposed increase in rail traffic by the CN acquisition of the EJ&E. We already have enough gridlock caused by commuter and rail traffic. This proposed acquisition and increase in freight traffic cannot stand. Do the right thing and do not approve this acquisition. We need to preserve the health welfare and safety of Northern Illinois.

Respectfully submitted,

YOUR INPUT IS IMPORTANT!
