I am calling to register my vote for, if it can even be called that, I am opposed to the Canadian National purchase of the railway. In particular opposed to the increased train traffic through here. My home has served as a retreat area for people needing to get away from the noise and clamor of everyday life and to be historic and therefore this would be very detrimental to the place that we have moved. So thank you. I don't know if you need my phone number but I will provide that as well. 815-462-1812.
