Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

Date: 9/26/08

TRAINS- TRAINS- TRAINS- HOW MANY? I HAVE ^{NEVER} COUNTED. THEY TIE UP TRAFFIC IN ELMWOOD PARK, IN THE LATER HOURS THEY ARE NOISY & CONTINUE TO BLOW EXREMELY LOUD HORNS AFTER & BEFORE 10PM- 6AM IT WOULD BE GREATLY APPRECIATED IF COULD HAVE LESS TRAIN TRAFFIC. I KNOW THE TRAINS WERE HERE BEFORE I BOUGHT MY CONDO- LOCATED ACROSS THE STREET FROM THE TRACKS BUT ALITTLE LESS TRAIN TRAFFIC WOULD EASE MY MIND. I CANNOT WATCH T.V- TALK ON PHONE OR HAVE A CONVERSATION WITHOUT BEING DISTURBED FOR APPROX 50% OF THE DAY OR NIGHT. THE WHISTLES OR HORNS SHOULD BE MODIFIED- THEY ARE A HAZARD TO OUR HEARING LOSS, AND I REALLY THINK THEY ARE OVERKILL- IF SOMEONE IS ON THE TRACKS THE HORN WILL NOT PREVENT AN ACCIDENT ANYWAY- SO WHATS THE POINT? PLEASE RE-ROUTE SOME OF THESE TRAINS FOR THE SAKE OF SANITY & PEACE
YOUR INPUT IS IMPORTANT! THANK YOU
