Dear Catherine,

Greetings. We are in receipt of the communication concerning the Wyoming SHPO's concerns regarding the sites along the DM&E route. In speaking with Russell this afternoon he wanted me to send a request to you regarding this issue. He asks if you could arrange a meeting with the WY SHPO and those tribes that have an interest in this matter. We are only requesting this meeting and speaking in Rosebuds' interest and behalf at this point. If there may be a favorable response to this request then other tribes may express interest in attending such a meeting also.

Please let us know at your earliest convenience if this is possible.

Thank you.
