We STRONGLY oppose the sale of EJ&E Railroad. The railroad runs right by our property and the increase in train traffic is going to back traffic up on our roads, as well as negatively effect our property value. There have already been 2 deaths at our railroad crossing and we suspect there might be more accidents if people tried to avoid waiting at the RR by trying to outrun the train.

We encourage Canadian National Railway to seek another solution. Maybe create a new railray somewhere else. The EJ&E railway was not meant to handle that much train traffic.

Thank you.
