Please refer to STB Finance Docket No. 35087 in all correspondence addressed to the Surface Transportation Board. Comments must be submitted by February 1, 2008.

Our main concern is safety. Along Sauk Trail between Harlem & La Grange are 2 schools, 1 church & a camp site used year round including a period of time for child cancer & handicapped individuals.

The proposed train schedule (31 a day) would seriously limit emergency service (fire, ambulance, police) to the area listed above.

Next is concern to noise & vibration that would affect residential area between Lincoln Rd & Harlem - La Grange Rd & LARAWAY.
