My comment is that I do not want that EJ&E Railroad station going through this area because it's going to do nothing but awake people at night and stop cars at intersections. It's a nuisance and it doesn't belong here. We had it years ago and we didn't like it and we got it back again and now we got to do something about it. Please remove it or keep it from coming out. Thank you very much, I appreciate it. Thank you
