Dave - If we have comments, you will get them on Monday. As far as the MOA, the person responsible at CSXT has been traveling, but will be back in the office on the 15th. I'll get you an answer on that issue on Monday as well.

Lou -

A couple of things:

1. If you intend to provide a reply to the comments on the Supplemental EA, I'll need to receive that reply by close-of-business Monday, December 15 for it to be considered in the Final EA.
2. Last Thursday, December 4, I sent you OEA's reply to your November 28 suggested revisions to the MOA. The sooner we can all agree on the language of the MOA, the sooner I can distribute it for signature.

Thanks,

Dave
