Re: STB Finance Docket # 35087

Phyllis Johnson-Bell
 Surface Board Transportation
 Washington DC - 20423

I am a Matteson IL resident
 & am strongly opposed to the
 CN Railway acquisition of the E. J. O.

The safety factors first & fore-
 most, the added hazmat cars,
 the blocked crossing of emergency
 responders to or from accident
 scenes --

Pollution (air & sound)
 Traffic congestion -

Cost (excessive) to taxpayers to
 assist a foreign owned company
 is unjust, unwarranted.

Jay Plummer
