Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: Aug. 27, 08

Comments must be submitted by September 30, 2008.

We live in Bridlewood Farms subdivision,
our fire truck comes from Bartlett. Our
house will burn down before it can get
to us or a loss of life. Not to mention
police etc. . . . The train will block the
only main direct road to us. School
buses will take much longer to get to school,
which is already a long ride. Our children play
down there - there has already been accidents.
You're asking for trouble!
