Message:

I am against the purchase of E.J.&E by Canadian National Railroad, Due to their plan to increase the number and length of trains passing through New Lenox. Their proposed increaase would be approximately one train an hour. Which is unreasonable for the design of New Lenox. especaiially with the New High school adjacent to these tracks. Any road improvements to overpass the rails would then have to be financed by the us the taxpayers. We gain nothing positive by this aquisition only problems and costs.
